Diana Pittarelli is celebrating her 5th year with Classic Realty Group. Her ethics, market knowledge and high energy make her one of the most sought after Realtors in our area. Diana's continual follow-up with her clients and co-workers has made her a true leader in her field, as evidenced by her continuous flow of repeat business and client-based referrals. Not only is Diana a fine ambassador and representative for Classic Realty Group, but she also serves her community tirelessly.

She is the Chairperson for the Greater Hollywood Chamber of Commerce's longstanding Leadership Hollywood Program, was named the chamber's Ambassador of the Year for 2004 and serves on many other chamber committees and community-based organizations. Classic Realty Group is pleased to celebrate Diana's success in conjunction with the company's decade of business here in Hollywood. Back in the '90s, Classic Realty Group purchased a landmark building at 2475 Hollywood Boulevard and soon thereafter earned a prestigious Project Pride Award for its renovation. The company's corporate headquarters was relocated from Fort Lauderdale to Hollywood because its principals understood that

Hollywood was on the doorstep of tremendous growth. Classic Realty Group quickly became one of the top-selling real estate companies in Hollywood and remains so to this day. Classic Realty Group is once again undertaking a major redesign of its headquarters to offer an even higher level of service to its clients and associates.

Today, they celebrate five, full-service offices from North Miami to Fort Lauderdale that are open seven days a week. The company has 150 associates speaking 10 languages and sees no end to the tremendous growth of the South Florida real estate market. Along with its new building redesign, the company will soon launch a new website.
